

Request for Proposals (RFP)

Project: CAPROMUNI (Site 3) – Mayagüez

Date: February 13, 2024

Facility Building Repairs and Construction Services

The Instituto Pre-Vocacional e Industrial de P.R., Inc. is requesting sealed proposals from qualified independent contractor firms for facility building repairs and construction services for the CAPROMUNI Site 3 Project located in Mayagüez, Puerto Rico.

The selected contractor shall provide high-quality construction (if applicable) and repair services at a reasonable and competitive cost to the Institution. Preference will be given to firms with demonstrated construction and repair experience within the last five (5) years.

The scope of work includes traditional building repair and construction methods necessary for the CAPROMUNI Site 3 facilities.

Important Dates

- **RFP Release Date:** February 6, 2024
- **Deadline to Submit Written Questions or Notice of Intent to Participate:** February 28, 2024
- **Proposal Submission Deadline:** March 3, 2024, at 4:00 p.m. (AST)
(No late submissions will be accepted.)

Official notice of award will be posted on the Institution's website and provided to all proposers by mail.

Official Point of Contact

All communications, inquiries, and correspondence regarding this solicitation must be submitted in writing and directed exclusively at the Institution's authorized point of contact:

Nilsa López Rivera

Procurement Manager

Instituto Pre-Vocacional e Industrial de P.R., Inc.

#68 Calle Puro Girau

Arecibo, Puerto Rico 00612

Email: ipvipr@yahoo.com

The Institution will not respond to telephone inquiries. Only inquiries submitted by e-mail during the established solicitation period will receive a response. Information obtained from any other source should not be considered official and should not be relied upon. Proposal documents containing all pertinent information and requirements are included with this announcement.

Addenda and Solicitation Revisions

If revisions to this solicitation become necessary, the Institution will issue written addenda electronically through the Institution's website:

[Instituto Pre-Vocacional e Industrial de P.R., Inc.](#)

Proposers are responsible for monitoring the website and contacting the Institution's designated point of contact, Mr. Samuel Rivera Rivera, prior to the proposal submission deadline to determine whether any addenda have been issued.

Reservation of Rights

The Instituto Pre-Vocacional e Industrial de P.R., Inc. reserves the right to reject any or all proposals, waive minor informalities or irregularities, and make any determination deemed to be in the best interest of the Institution.
